Dear Parents and Carers,

Year 6 SATs ended this week. The Year 6 staff would like to send out a massive thank you to the children for all their hard work, determination and maturity. We would all like to thank you for making sure your children were well rested, on time, had done their revision homework steadily over the year and had given them the encouragement they needed. I'm sure you know how hard Jamie and Miri and all the Year 6 teaching team have worked this year, and our enormous thanks goes to them. In addition I must make one more thank you and mention all the other teachers, staff and children who have been so considerate and caring this week and have shown in their actions and words how much they care. This has made us all very proud of Keyworth.

For the rest of this term Year 6 will be continuing with core subjects, but they will also be spending time gaining wider experiences in class and out, as part of extending their creative skills and knowledge of the world, but also as part of preparing them for their transition to secondary school and their journey towards young adulthood. Oh, and of course preparing for the Year 6 production!

Year 2 SATs begin next week. This will be done sensitively and appropriately as you would expect for our 6 and 7 years olds. Year 2 parents your continued support is vital. You can help by always reading at home, ensure your child gets a good night's sleep and comes to school every day on time.

Have a safe and happy weekend!

Elizabeth

### **FIDGET SPINNERS**

Fidget Spinners are banned from school. They have been causing distractions and accidents, so please ensure that your child does not bring one into school. Thank you for your understanding and co-operation in this.

### **YEAR 2 SATS**

The Years 2 SATs will be on the week beginning 15th May for 2 weeks. Please ensure your child has a good night's sleep and eats a healthy breakfast before coming to school. Please also ensure that your child arrives on time to school as all SATs will be administered in the morning. Thank you for all those parents who attended the SATs workshop on Wednesday morning.
