Dear Parents and Carers,

The Keyworth Community Tree is flourishing but we still need more leaves! It is lovely to see leaves from parents, pupils and staff – a real community effort has been made!

Our class assembly this week was by 3MB which was all about the Stone Age. Well done to all of them involved, they told the story of 'The Stone Age Boy' very convincingly and blew their audience away with their energetic dance moves! The pupils, as always, did us all proud.

Next week the Leadership Team will be looking at English books and meeting with all the Governors to share school progress and look at our next priorities.

3MB Topic homework:

Year 3 had some fantastic topic homework brought in at the end of last term all to do with Ancient Egypt. Everyone worked really hard and the end products were spectacular!!

Parent Mail

Wow! A big well done to you and to the office staff – we now have 70% of our families signed up. This is fantastic, but we need 100% on board. We will continue our campaign to sign up the last of you, so don't forget to ask the office to help. It doesn't take long and will be a real advantage to you.

We are now preparing to take payments on Parent Mail and hope to be up and running fully by the New Year! So, if you wish to pay online, it is important that you sign up to Parent Mail as soon as possible!

Update your Child's Contact Information

If you have recently changed address or contact number could you please inform the office so they can update your child's information.

Christmas Activities

Please inform the office if you would not like your child/children to participate in any Christmas activities.

Book Fair

We have the Book Fair coming to Keyworth on Tuesday 22nd November until Friday 29th November. Come and see the large choice of books on offer and help earn free books for Keyworth!

Primary Panathlon Challenge

On Thursday 10th November, nine of our children represented Keyworth at the Panathlon Challenge. This was held at the Damilola Taylor Centre in Peckham and it's a wonderfully well organised sports festival.

The children took part in a variety of games, which are created so all children can access these games, whatever their ability. These included parachute games, trampolining, boccia, throwing games, new age curling, football, simple basketball games, jumping and relay races.

Our school came 6th out of the 10 schools and every child at the sports challenge had a truly wonderful time. Every child that attended was presented with their own medal; they came back to school with huge beaming smiles, full of pride!!!
