Dear Parents and Carers,

This Newsletter is all about school news and highlighting all the positive things this school represents. It's also for useful information and for things that may interest you. Therefore I have given a lot of thought about whether to write about something that happened this week that wasn't nice. However there is so much warmth and support from you I have decided to share it with you as it could help to make a small minority of parents think twice about how they approach Keyworth staff. I know that nearly every one of you has a very positive relationship with the school and that you know you can come and ask questions or talk about something that is worrying you. You also know that you will be listened to with respect and dealt with in a professional manner. Unfortunately this week a member of my teaching staff was shouted at by a parent. This is a very rare occurrence, but as you can imagine it was very unpleasant for the member of staff, it is very upsetting for children and it does not actually help any situation get resolved quickly. I have a request – would all of you who do have the wisdom of knowing how to deal with things at school, perhaps counsel your friends and acquaintances that do not have your understanding. We truly believe in the strength of being in partnership with you. It is just not acceptable for anyone to take out their anger or frustration on the very people who are there to help. The school will not tolerate it. Keyworth is so close to all of our hearts, let's continue together to protect the ethos of our school that we are all so very proud of.

Have a safe and happy weekend!

Elizabeth

BANNED

FIDGET SPINNERS

Fidget Spinners are banned from school. They have been causing distractions and accidents, so please ensure that your child does not bring one into school.

Thank you for your understanding and co-operation in this.

SATS

YEAR 2 SATS

The Years 2 SATs continue for one more week. Please ensure your child has a good night's sleep and eats a healthy breakfast before coming to school. Please also ensure that your child arrives on time to school as all SATs will be administered in the morning. Thank you for all those parents who attended the SATs workshop on Wednesday morning.

Coming soon, next half term, Keyworth Primary School will be excited to launch our first whole school topic, ***Let's Celebrate***. Starting this year, the whole school will work together on this joint project centred on ***Carnival – a time to celebrate, be creative and have fun while we learn!***

Each year, our carnival topic will have a different theme and to kick us off in our first year, we will be focusing on carnivals ***Around the World***.

Each year group will investigate one particular country's carnival, such as Brazil, China or Trinidad and Tobago. They will incorporate all subjects in their learning, from history to art, geography and English, creating both informative and beautiful pieces of work around this wonderful celebration. At the end of the term, we will come together, to showcase what we have learned and made, in our own, whole school, carnival parade.

We look forward to seeing you there!
