- **Monday 29th May 2017 – Friday 2nd June 2017 - Half Term**
- Friday 21st July 2017 – Last Day of Summer Term

Dear Parents and Carers,

We have been in school for 3 weeks of 2017 and we continue to closely monitor the progress of our pupils. This week we did a maths book scrutiny. This is where we take a selection of books from each class and look at the standards and progress. The books remain strong and demonstrate good progress over time. The teachers are using marking to help their pupils correct mistakes and to take their learning onto the next step.

Year 1 put on a splendid performance in assembly today all about the seasons. The children spoke and sang clearly and with confidence. The audience were entertained and informed. Year 1 looked very pleased, and they deserved too. Well done!

1JL went on their attendance reward trip today and had a lovely afternoon at the Imax Cinema. It will be someone else's turn next – who will it be?

I am on the Doddington Gate at least twice a week. I have noticed that at the beginning of January I had very few of you coming through late. This week there have been too many. Come on folks, don't let our super improvement slip. I know it is cold, but school is warm and cosy! Please remember that if your child is not in class for register it closes at 9.00 a.m., so they will be late. Doddington Gate shuts at 9.05 a.m.

New Computing Resource

At our staff training this week, Theo, our computing leader, introduced the teachers to a new scheme of work, which they will be using after half term.

Our new scheme of work will introduce to children and staff, a range of exciting software and applications that will help our children acquire a good level of digital literacy.

Children will develop programming and coding skills from year 1 onwards, they'll learn to interact with and produce a range of digital medias in text, audio, image and video. The scheme will help us in building the foundations for safe and responsible computer usage as our children at Keyworth grow.

Tutorial Day

On Monday 20th of February there will be a Tutorial Day at the school. This will give you a chance to meet with your child's teacher to discuss your child's progress. The School will therefore be closed to children however; they are welcome to attend the appointment with you.

This year, all bookings will be going through ParentMail. **This means that you will need to have signed up to ParentMail by 29th January at the latest.** If, for any reason, you have already spoken to the school regarding ParentMail, then please come into the office so that we may help you.

If you are experiencing any problems with this, please do not hesitate to contact the office. We are happy to help you with any issues.

Sainsbury's Active Kids

Sainsbury's
Active Kids
Eat well • Move well • Live well

We are collecting Active Kids vouchers from Sainsbury's! There is a box in the office for you to drop any Active Kids vouchers you are given. The more vouchers the more money we have to put towards cooking and sports equipment!

Extra-Curricular Clubs

We still have one place for football and two for dance/drama.

If you would like to put your child on the list then please contact the office.

The After School Club (all school year) payments can be paid either on ParentMail or in the office.
