Year 6 Orienteering trip to Burgess Park

This week the year 6 children had the exciting opportunity to take part in an external workshop in orienteering organised by Jess, the school PE coordinator. The session took place in Burgess Park and involved challenges based on finding places on map within the park setting. Children worked excellently within teams, using the map to find clues and spell out the secret words. The course covered a range of skills from PE, to geography, to PSHE giving the opportunity to enjoy learning in an outdoor environment. Atule from year 6 said, "I enjoyed reading the map and working within teams." Mark added, "It was great fun putting the clues together and finding the secret code." Year 6 would like to thank Jess for organising the opportunity and the London PE & School Sports Network who ran the course.

Thank you to all the children and adults at Keyworth for all of your hard work, exciting ideas and creative learning on Roald Dahl Day, on the 13th September. From Mr and Mrs Twit maths investigations to Snozcumber recipes and instruction writing; Georges Marvellous Medicine science lessons and Enormous Crocodile character descriptions.

While each of us has our own favourite Roald Dahl story or poem, we all had great fun celebrating all his achievements in our day of creative learning!!
