Wednesday 3rd January 2018- All children return to school

Dear Parents and Carers,

Welcome back after the half term holiday. I hope you were all able to make the most of the beautiful weather. It felt like we were saying goodbye to the last of the Summer sunshine and really heading into Autumn and Winter.

Please note a change to our January INSET Days. Children return to school after Christmas on Wednesday 3rd January 2018.

Our E Safety week was a great success and has got children and parents really talking and thinking about the possible dangers, as well as the joys of the internet. For your information we have had a game blocked thanks to the vigilance of one of our parents. It is a National Geographic game called Animal Jam. The reason it has caused concern is because there are chat rooms. Chat rooms are not safe for unsupervised children. We have advised children not to use chat rooms, unless they are with a trusted adult. Please bring to our attention any other games that worry you and we'll publish them here.

My assembly theme this week has been about how human beings change their minds about what is right or wrong over time. We have been exploring and reflecting on how people can make changes to the law for the better. Bearing in mind the sad news from New York this week, it has been very timely. It is this generation who will bring further wisdom to our society about how to live in peace and mutual respect.

*Have a safe and happy weekend,
from Elizabeth and all at Keyworth*

Football

The boys came away with a fantastic 5-4 win. Four goals from Ahmed and a last minute winner by Emmanuel ensured Keyworth took home the three points. A special mention must go to Dotun who defended like a lion. The entire squad was unanimous in awarding Dotun player of the match. A fantastic display from every single player.

The girls also gave a fantastic performance. A superb hat-trick from Erlue awarded the team a 3-1 win. This win would not have been possible without the defensive performances of Madinah and Rachel. They took care of the dirty work whilst the rest of team handled the attacking responsibilities, as Arya's trickery entertained the mesmerised onlookers.

Well done to both teams for two performances that showed real teamwork!

SEN Sports Festival

Some of the children attended our first SEN Festival of Sport of the year just before half term. They took part in lots of different activities such as playing cricket, tennis, volleyball, trampolining and lots more. Everyone was on their best behaviour and lots of fun was had by all.
