Dear Parents and Carers,

Welcome to February!

What a busy week! I know we say that a lot, but it really, really has been!

Y1 went on a trip to the London Aquarium, pupils from Y5 and Y6 performed Samba and African Drumming at the Royal Festival Hall (they were amazing!) and Y5 are visiting the London Eye today. Phew!

Teachers have been looking at our progress data and have been checking that everyone is on track to make at least their predicted progress this year. For those who might be struggling a bit we are putting in boosters, for those who are learning faster we are planning even more challenge.

The Leadership Team have been looking through maths books and are seeing that children are working hard and are given interesting ways to apply what they have learnt. We are now going to include more investigations so children can use their skills and knowledge in different ways. When you see your child's book on Tutorial

Day you will see green and red pen. The teachers mark in green and the children answer in red. You'll be really impressed with how the children do this.

Look out next week for photos of the London Eye and news about the choir performance at the O2.

Year 1 London Aquarium

Year 1 had a thoroughly successful school trip on Tuesday. The children learnt facts about the animals in the aquarium and most excitingly got to see the penguins which is linked to our topic.

The children got to see the penguins swim, dive and waddle! This enriched their writing tasks at school.

The children behaved well and the adult support we received was fantastic. Thank you very much to the parents who came with us- we hope you learned something new too!

Tutorial Day -

On Monday 20th of February there will be a Tutorial Day at the school. This will give you a chance to meet with your child's teacher to discuss your child's progress. The School will therefore be closed to children; however they are welcome to attend the appointment with you.

This year, all bookings will be going through ParentMail. So you will have to have a ParentMail account to be able to book an appointment. If, for any reason, you have already spoken to the school regarding ParentMail, then please come into the office so that we may help you.

If you are experiencing any problems with this, please do not hesitate to contact the office. We are happy to help you with any issues.

Gymnastics Opportunity Taster Sessions – February Half Term

The poster features a blue background with white text and graphics. On the left, there is a silhouette of a gymnast performing a handstand on rings. In the center, a circular logo for 'SOUTHWARK GYMNASTICS CLUB' shows three stylized figures in various poses. To the right, the word 'Gymnastics' is written in a large, blue, serif font, with 'Taster Session' in a smaller, blue, sans-serif font below it. Further right is the logo for 'LONDON PE AND SCHOOL SPORTS NETWORK', which consists of a blue stylized flower-like shape above the text.
