Dear Parents and Carers,

In last week’s Newsletter there was an item about our PSHE Topic on stereotypes.

We really need your help and experience. We would like the children to learn about adults who have jobs that might have broken a stereotype of some kind. Do you (or do you know someone) who has a job where you are, or were in a minority – your gender, your ethnicity for example? We would love to talk to you. We would like to use your experience to share with children. If you are interested then please contact the office, or speak to Lauren (Year 2 teacher) in the playground, or any member of the senior staff at the school gates. We want all our children to have opportunities to explore as wide a range of possibilities about what they might do as adults, as well as what they should expect as citizens who are equal under British law.

Here’s a quote from Tinie Tempah

*“At the end of the day, I’m a human being ... challenging stereotypes by just being who I am.”*

Michelle Obama wrote

*“It’s easier to hold onto your own stereotypes and misconceptions, it makes you feel justified in your own ignorance ...So the challenge for us is, are we ready for change?”*

Have a safe and happy weekend from Elizabeth and all at Keyworth

How will you represent our community spirit?

Throughout the week the children's lessons will be intermingled with various opportunities to express their creativity in art based learning, using a variety of mediums, such as paint, sculpture or digital technologies.

In addition to this, each child and adult will design and make a beautiful flag, to contribute to what will ultimately be a huge **Keyworth Community Spirit Banner**, stretching across the school in display.

**As part of our Keyworth Community, we would like to invite you (parents and carers) to join us on Thursday 12<sup>th</sup> October between 3:45pm and 4:30pm, to create your own flag and see it placed upon our banner and displayed for the rest of the year.**

We look forward to seeing you then! Miri
