

Dear Parents and Carers,

Good communication between the school and wider school community is essential in order to support the children's learning and wellbeing at school.

We have a lot of information to pass on to parents and carers and it is also important that parents and carers can communicate effectively with us and we would like to hear from you about what we are doing well and what can be improved.

Thinking about how you receive news and information from the school, and give information to the school, we would be very grateful if you could answer the questions below.

How do you like to receive communications from the school? Does this differ depending on what the information is? Please tick all that apply.

	• Email	• Text to your mobile phone	• Letter posted to your door	• Letter collected from office	• Letter in child's bag	• Regular newsletter	• Updates on website
Essential whole school information such as term dates, school fairs, non-uniform days etc.							
Important class information such as what day to bring PE kit, school trips, school projects etc.							
Nice to know information such as class topics and achievements
