Dear Parents and Carers,

Welcome to December! It's good to see the children well wrapped up, it has been very cold, but dry so playing outside is still possible.

Our class assembly this week was by 4BP which was about The Wives of Henry VIII, a particularly gruesome tale that was a lot of fun to re-enact. We hope our audience learnt a little something of history today. Thank you to all parents/carers, who turned out in numbers to watch the performance.

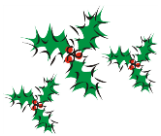

This week the Leadership Team have been looking at Maths books in Nursery up to Year 6. Once again I have positive things to share. The children are caring for their books and show pride in their presentation. We saw progress over the term and the additional maths groups we are running for some children, called Rapid Maths, are also making a

difference to the children's progress. Children are being given time to respond to their teachers marking.

Once again thank to all of you for all your support in helping your children learn.

## **Christmas Activities**

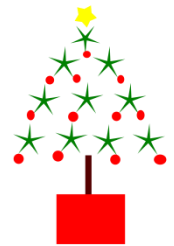

Please inform the office if you would not like your child/children to participate in any Christmas activities.

### **Christmas Dinner and Jumper day**

The children will be having their School Christmas Dinner on Friday 16<sup>th</sup> December.

Your child will also be able to wear a Christmas jumper to school this day. If your child would like to wear a Christmas jumper, we are asking that you donate £1 to 'Save the Children'.

We will be collecting the money on the gates in the morning or you can drop it into the office.

## **House Captains**

As part of our behaviour system we are introducing House Captains to school. These will be chosen from Year 6. They will be pupils who have outstanding conduct and can help other children from their House make good choices. They will be pupils who will be excellent role models. We will all know who they are as they are being given special badges and will be introduced to the rest of the school in Reward Assembly. They will receive some special training from Sarah to help them understand their role.

I am proud to tell you this year they will be...
