DATE CHANGE:

Christmas Holiday dates –

Wednesday 20th December 2017 – Last day of school. School finishes at 2pm Wednesday

3rd January 2018- All children return to school

Dear Parents and Carers,

Thank you to all of you who kindly returned your completed surveys. I will be writing to you next week to share your views. I will also share with you what the children shared with us in theirs. Surveys are a great way to help the school see ourselves from your point of view, so we're really looking forward to looking at what you all think.

This week the leadership have been carrying out English observations and work scrutinises. I am pleased to be able to share with you that we have seen really good teaching and learning. The children are really engaged in their lessons and the learning behaviour is really great. We've already set progress targets for all our pupils and we will be recording progress for this term before our Christmas holiday. The work in your children's books gives us a really clear view of how much learning is taking place each day and no doubt our progress data will reflect that. The reading and homework the children do with you at home is also making a real difference to their progress.

Sarah and I will be meeting with the school Governors next week and one of the things we will be reporting on is how improved our attendance and punctuality has been. We have made solid progress since this time last year and we should all be very proud of that. The Chair of Governors is Jonathan and he will be writing in our Newsletter this term. The Newsletter is a really good way for Governors to showcase their role, to share school improvement with you and to give you another perspective on how the school is doing.

Have a safe and happy weekend, from Elizabeth and all at Keyworth
