Year 2 Newsletter Spring 1

Ahoyyy there maties!

This term Year 2's topic is pirates! The children have started to look at a variety of pirate books and have been discussing different authors and illustrators as part of their on-going 'famous faces' work from last term.

We have started the term with a particular focus on poetry and we have been reading and making our own poems!

We have also been focusing on reading comprehension and the meaning of words we come across in our stories to help better prepare the children for their SATS this coming summer. The children regularly answer 'what, where, who, why and when' questions surrounding our chosen books. We would highly recommend parents do this with children at home too when looking at their home readers.

The children have been continuing to practice their place value, times tables (2s, 5s, 10s and 3s), addition and subtraction and will be moving onto measure shortly. Please continue to practice the rocket test and additional maths homework we have been sending home to further support their learning.

We will be going to the Golden Hinde at the end of this month and the children are very excited! Please can you bring back permission slips and let us know if you are able to accompany us on the trip.

Thank you to all parents who have been helping the children with their spelling, maths rocket and reading at home. We have seen some lovely homework projects and are looking forward to the next batch!

Jess and Lauren
