Dear Parents and Carers,

Welcome back to the second half of the Spring Term.

This week new clubs have started and some Y5 pupils went to a Tag Rugby competition in Burgess Park.

Our whole school assembly on Monday was all about the 100th anniversary of votes for women. The children learnt about the Suffragette movement as well as discussing attitudes towards boys and girls or men and women 100 years ago compared to those of today.

The leadership team will be carrying out monitoring of writing across the school this half term and I will report back on what we find. Improving writing is a big focus for the school so it will be interesting to see how much our planning and interventions have impacted on standards in writing.

Best wishes for a happy and safe weekend
from Elizabeth and all at Keyworth.

Quote for the week

Thinking about stereotypes ...

Chimamanda was born in Nigeria in 1977. She is a writer of novels, short stories, and nonfiction. She was awarded a MacArthur Genius Grant. The Times Literary Supplement described her as "the most prominent" of a "procession of critically acclaimed young authors"

100th ANNIVERSARY OF VOTES FOR (some) WOMEN

This was the first in a series of milestones in the fight for democratic equality. Other anniversaries in 2018 include the 60th anniversary of the Life Peerages Act 1958, which allowed women to sit in the House of Lords for the first time (April), and the centenary of the Parliament (Qualification of Women) Act 1918, which permitted women over the age of 21 – the same age as for men – to stand for election as an MP (November). Throughout 2018, events and exhibitions will be held to honour these anniversaries. Here's just some:

- Museum of London – Votes For Women 2nd Feb '18 – 6th Jan'19 (free, but some special events are chargeable)
- House of Parliament – Voice and Vote 27th June'18 – 6th Oct '19 (free)
- Wonder Women 2018 – various venues city wide 1st to 31st March '18
- Women and Power at selected National Trust properties throughout the year

Rugby Year 5 Megafest – Burgess Park

Year 5 had a fantastic time at the Rugby Megafest. They arrived promptly, full of energy, ready for the hard work ahead of us. The teachers running the Megafest commented on the children's superb attitudes and commitment. Keyworth were put through their paces with several different challenging drills. Fatima and Grace were picked out for their infectious positivity throughout. Every single one of us left with a smile on our faces. Well done to all the children involved for being brilliant ambassadors for Keyworth.

Home Activities

Increasing pupils' physical activity to ensure they reach the recommended 60 minutes of moderate to vigorous activity a day isn't just something that should be happening at school. We need to support families to ensure that every child is encouraged to be active at home as well, without the need for any specialist equipment or knowledge. We want to remind families how much fun it is to spend time being active with each other.

Our Active Home Activities provide families with fun, physical challenges to do together at home. They require little or no equipment and are easy to follow. Suitable for all abilities, they have been designed to be done in the home, garden or local park. The activities can be printed out and sent home with your pupils included on your school's newsletter or linked to your school's website. You could also send notifications through your school's social media posts and encourage families to share photos of them having fun doing the activity. Please see an example below.
