

YEAR 4 CURRICULUM NEWSLETTER SPRING 2

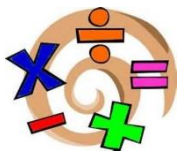

Welcome to the second half of the Spring term. The children are still working hard and they are making good progress across all areas of the curriculum. We are continuing to build on this progress and hope to have another brilliant half term of learning.

The Year 4 Team.

Topic- Our topic for this term is Food! We will be researching different food sourced in countries across the world as well as continuing to look at the fair trade agreement. We will also be looking at art involving collage and observational drawing.

English - This term we will be developing our writing skills through looking at a variety of different texts, including *The World of Food* and *Krindlekrax*. We will be focusing on a range of literature including poetry and newspaper articles.

Maths - Our focus this half term will be fractions, capacity, decimals and calculating area. Please keep working on your rocket test skills to complete the test on Fridays.

Science - In Science we will be introducing the topic of states of matter. We will be looking at solids, liquids and gases. Also finding out how they can be changed.

PE - This half term our focus in PE is Football. We will also be learning about the Commonwealth Games. We will be taking part in a virtual competition, which is very exciting! We will have PE sessions on Tuesday and Thursday so make sure appropriate (outdoor) kit is in school on these days.
