

Dear Parent / Guardian

## The NHS nurse are holding an urgent nasal flu catch up programme this Saturday for children in reception class, year 1, 2 3, or 4

If your child missed this protection please attend as we know the flu virus this year is We are already aware that the flu this year is very serious and local children have been admitted to hospital as a result of influenza,

Less than 50% of children in Southwark have had the nasal flu vaccine this puts many children adults and babies at risk of this serious but preventable virus

Southwark fire services have kindly offered us a room in their facilities to help protect your child – by vaccinating this group it will help break down the spread of this disease, Apologies for the short notice but there is some urgency in protecting anyone that missed the vaccine . Other children at risk GP services will advise

**Date -Saturday 13<sup>th</sup> January**

**Time- 11:00 – 15:00**

**Address - Old Kent Road Fire Station**

**405 Old Kent Road**

**Southwark**
