

# Nursery-Spring

## Topic

Our topic for this half term is  
Taste of the World! We are learning about food from different parts of the world and doing lots of looking and trying food!

## Maths

We will be learning how to count in sequence up to 10 this half term. We will learn concepts of time such as before, soon and later. We will be learning about changing quantities and counting out different quantities.

## Literacy

We will be listening to stories about different food. We will learn these stories using story maps and actions to build our vocabulary and imagination. Our texts are *The Little Red Hen* and *Oliver's Vegetables*.

We are working towards making distinct shapes as we make marks. Practicing lines, zig zag, and circles. We will develop our tripod grip to hold on to a mark making tool. We are doing lots of practice of writing our own name and different sounds we have learnt.

## Physical Development

We have been catching and throwing different size balls. We have been exploring other play areas in the school to practise our climbing skills.

We continue to strengthen our fine motor skills daily. This helps with our writing as well!

### Communication and Language

We will be practising good listening skills. We will answer question and talk to our friends to continue to build our vocabulary. We will talk about things that happen around us with adults and our friends.

### Personal, Social and Emotional

#### Development

We have been doing lots of partner and group work. We complete different activities with our friends and talk about ways to be kind to others.

### Things to remember

- Bikes are stored in the reception playground in the bike shed.
- Remember a book bag to take a reading book home each week.
- Please ensure all clothing items are clearly labelled with your child's name.
- Please ensure your child does **not** bring in toys from home.

## Dates to remember

**Red Nose Day—Friday 23 March 2018.**

**End of term: 2pm Thursday 29 March 2018**

If you have any queries, questions or concerns please come and see

Rachel or Tina
