

Spring Term

Reception Newsletter

Topic

This term our topic will be 'the Farm and Growing.' We will be looking at Farms and how certain foods and produce get to the shop for us to buy. Alongside this topic we will be exploring 'growing' through both plants and animals. We will be gardening, planting seeds and taking care of them in order to know what living things need to survive in the environment.

We will also be visiting Vauxhall Farm early next term. Keep an eye out for the letter.

Spare Clothes

PLEASE BRING A CHANGE OF LABELLED CLOTHES IN FOR YOUR CHILD TO LEAVE IN THEIR TRAY. We have had a number of accidents recently and have not had any spare clothes for them to change into.

Tricky words

We test your child's knowledge of their tricky words regularly, so keep practising! We sent home the 'Orange Butterfly' words just before half term, and lots of children have been practising reading them. If your child knows all of their words by sight, it would be beneficial if they learnt how to spell them too.

Writing at Home

The children's handwriting is improving, and we hope they are writing more at home. Why not get them to write you a shopping list, or write about their favourite part of their week. If they do any writing at home, please bring it in, we would love to see it!

Reading

Well done to everyone who is reading with their child every night. Please make sure that you sign and try to write a comment each time you read with your child. This helps us know what reading skills and strategies they are using at home.

Maths

This term we will be focusing on doubling and halving, along with coin recognition. We will also begin to count in 2s, 5s and 10s. If you could follow this up and practise this at home, it would be very beneficial for your child.

Thank you for your continued support.

Reception Team! ☺
