

SPRING 2 YEAR 2

Our Year 2 children are working very hard to prepare for their SATS.

They do not have a green topic book project for this half term. Instead we are sending home a weekly maths and reading sheet that contain SATS style questions.

Please take the time to complete these as they very similar to the work they are doing in class and are vital preparation. If you are unsure about any of this work please speak to Jess or Lauren.

Whilst helping your children with the reading please ensure that they are first reading the whole text on the reading paper before they start to answer the questions. Then they can read the questions independently and answer the questions by referring back to the text.

With the maths they can have help reading the questions but they should be able to solve the problem themselves.

All pieces of homework brought back will earn 3 gems!! Some children may even go on gold!! What better motivation!

It's not long till May so keep up the hard work and lets ensure the children are prepared for not only their SATS but also entering Key Stage 2!!
