

Summer Term

Reception Newsletter

Topic

This term we are continuing the topic of 'the Farm and Growing.' We will be looking at Farms and the lifecycles of different animals. Alongside this topic we will be exploring 'growing' through both plants and animals. We will be gardening, planting seeds and taking care of them in order to know what living things need to survive in the environment.

We will also be visiting Bocketts Farm Park at the end of the term.

Spare Clothes

PLEASE BRING A CHANGE OF LABELLED CLOTHES IN FOR YOUR CHILD TO LEAVE IN THEIR TRAY. We have had a number of accidents recently and have not had any spare clothes for them to change into.

Tricky words

Great job of practising your tricky words. Keep a look out for green challenge words.

PE Kit

We ask that you bring a labelled PE kit in for your child. This kit must be in a **NAMED BAG** have a T-shirt, some shorts or leggings and trainers or plimsolls. This kit needs to come in **EVERY THURSDAY**.

Writing at Home

The children's handwriting is improving, and we hope they are writing more at home. Why not get them to write you a shopping list, or write about their favourite part of their week. If they do any writing at home, please bring it in, we would love to see it!

Reading

Well done to everyone who is reading with their child every night. Please make sure that you sign and try to write a comment each time you read with your child. This helps us know what reading skills and strategies they are using at home.

Maths

This term we will be focusing on doubling and halving, along with coin recognition. We will also begin to count in 2s, 5s and 10s. If you could follow this up and practise this at home, it would be very beneficial for your child.

Thank you for your continued support.

Reception Team! ☺
