

Topic Homework

CLASSES 3CS and 3TA

DATE SET
Friday 20th April

DATE DUE
Monday 4th June

Dear Children and adults,

This half term our focus will be on *Creepy Crawlies*. We will be exploring a range of non-fiction texts about mini-beasts and other animals, creating our own creepy crawlies and writing about them. In art we will then be creating our own 3D models of our mini-beasts while thinking about classifying different creatures using keys in science.

MATHS

Remember to revise your weekly number facts to earn your reward based on your rocket card!

Children will be tested each week on their number facts - they will be told which ones to learn by their teacher. Prizes will be awarded in assembly to children who are successful.

And don't forget to log onto Mathletics!

READING

Remember to read each day and get an adult to sign your reading card /book. Don't forget to collect your rewards for reading!

SPELLING

Don't forget to practise your spellings ready for Friday's Spelling Bee

WRITING AND TOPIC

You have a scrap book to use to complete your homework project. Over the next few weeks complete some of these activities or make some up of your own.

COMPLETE AT LEAST ONE OF THE WRITING TASKS

1. Create a fact file about different creepy crawlies - think about what they look like, what they eat and where they live.
2. Write a newspaper report about a new creepy crawly that has been discovered in Kennington.
3. Write a letter to the local council explaining why they should not build houses on the park.
4. Write a diary from the point of view of an insect.
5. Write a description of a creepy crawlies' habitat.

NOW CHOOSE SOME OR ALL OF THESE:

1. Draw labelled diagrams of different creepy crawlies.
2. Make a 3D sculpture of a creepy crawly.
3. Create a PowerPoint of deadly creepy crawlies.
4. Design your own key that could be used to classify creepy crawlies.

Topic Words

Do you know what these words mean and how to spell these topic words?

habitat

environment

arachnid

rainforest

adaptation

species

Challenge

How many different species of creepy crawlies can you find?

Places you could visit

- Natural history museum
- Nature Gardens
