Dear Parents and Carers,

Welcome to May. It is raining as I write this newsletter, but the weather forecast is for a fine weekend, so fingers crossed!

Don't forget the school is closed on Monday 7th May as it is a
BANK HOLIDAY

Key Stage 2 SATS start on May 14th and the pupils and teachers have been working hard to be ready to do the best they can.

Breakfast will be provided for Year 6 that week as a good night's sleep and a nourishing breakfast will help them be at their freshest for the tests. There was good attendance at our workshop for parents this week on Year 6 SATS. Thank you for your support.

The pupils will do us and themselves proud, of that I am sure!

Health and Safety warning Snapback hats

Snapback hats are not allowed in school as the stiff peaks are dangerous and have caused life changing injuries in other settings. These are baseball styled caps with peaks that are very stiff. They have plastic snaps to adjust the diameter and quite often have a sticker on the peak.

They look like this and come in various colours and with various images on the front.

Other styles of appropriate hats are encouraged for the cold and the sun.

Have a happy and safe long weekend from Elizabeth and all at Keyworth.

Quote of the week

“Continuous effort – not strength or intelligence – is key to unlocking your potential.”

Winston Churchill

Attendance

The link between good school attendance and attainment has long been recognised; what is equally as important is good punctuality to school. Therefore, over the coming term we will be having a ‘Late Gate’ which is an initiative supported by Officers from the Local Authority.

Parents arriving to school late with their children will be asked to explain the reason for the lateness, and this may be followed up by the Local Authority Officer. Parents who have taken their children to medical appointments before the start of the school day, and then attend, will not be deemed as late. It is only with your support that we can maintain the good standards of punctuality and attendance, for your children to achieve their best outcomes.

RECEPTION

Over the past term we have been learning about growing and the life cycles of certain animals. We will be telling the life cycle of a caterpillar through the story of The Very Hungry Caterpillar in next week’s assembly on Thursday.

Also, a very BIG thank you to those who donated and helped out with our Ice Lolly and cake sales. We managed to raise a substantial amount of money to help fund our coach ride to the Bocketts Farm at the end of the term. Keep an eye out for the permission form and final amount owing.
