Dear Parents and Carers,

In KS1 and KS2 PSHE lessons over the summer term children will be taking part in lessons learning about themselves, their bodies, growing and changing. They will also be learning about personal safety and positive relationships. The lessons will be planned in accordance with the statutory National Curriculum for Science and PSHE.

These lessons provide invaluable learning for the children and relay positive messages in the correct environment. The statutory curriculum is designed to be age appropriate. The information the children learn will help them to keep themselves safe.

Please do not hesitate to get in touch with either myself or a senior member of staff if you have any questions.

Kind regards

Lauren and Miri

PSHE Lead and Assistant Head teacher (Curriculum)
