Winter Fair

I will share more details about what kind of stalls and activities that will be on offer. Watch this space ...!

This week's assembly theme was A Healthy and Balanced Lifestyle. The children thought about and discussed "What is Well Being?" The themes of physical and mental health were explored as a whole school and in classes. The children reflected on how important it is to stay healthy and happy. We all reflected on how difficult keeping healthy and happy will be for people of the Philippines and in some parts of the United States whose lives have been disrupted and made very difficult by Hurricane Florence and Typhoon Mangkhut.

On Friday Jaime held a workshop for parents on Reading and Phonics. It was really well attended and parents and carers said they found it useful. If you were not able to go, but would like to know more speak to Jaime. Later on in the year there will be an opportunity for parents to see a phonics session within the Reception classrooms. Look out for times in Reception newsletters.
