Monday 17th September 2018

Dear Parents and Carers,

We are pleased to inform you that we have organised and provisionally booked a residential school journey from **Monday 3rd June - Wednesday 5th June 2019** to Kingswood, Grosvenor Hall in Ashford Kent, which is around 2 hours away from Keyworth.

The planned programme of activities will be a worthwhile and an enjoyable experience for your child, as well as a well-deserved reward for their hard work this year and opportunity to celebrate their time at Keyworth. The course will include a full programme of educational and (optional) adventurous activities but will involve team work and collaboration and outdoor activities such as zip wire, abseiling, archery etc.

The cost of the trip will be £196. This amount includes full board accommodation and all of the activities. Obviously we appreciate this is lot of money, so if finance is an issue please contact the school as we may be able to organise a payment plan for you.

We hope as many children as possible can participate. Please complete, and **return the slip below to the office by Wednesday 10th October 2018**. **Your child will only have a confirmed place with an initial deposit of £40 (non-refundable)**. (This will be instalment 1). Once you start paying, the school office will track and record your payments over the period and will give you a print out of how much you have paid when you make a payment.

Please note that full payment would be expected by Wednesday 20th March 2019, unless otherwise arranged with the office.

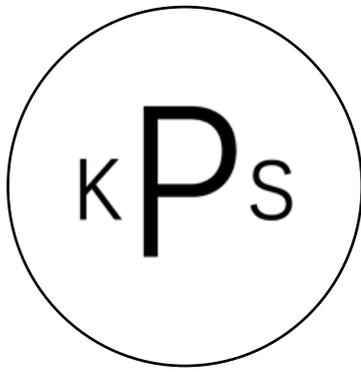

If you would like more information, you may wish to look at the website

<https://www.kingswood.co.uk/locations/grosvenor-hall/>

As a final point, Keyworth staff will be with the children at all times. Please be assured that this is a very safe trip and is a great way for your child to engage in sports they may not normally have the opportunity to experience with their friends. It also does wonders for children's organisational, interpersonal and communication skills. Apart from all this, it is also really good fun! If you do have any concerns, please contact Chontel, or another member of the year 6 team and they will be happy to help.

Yours Sincerely,

Chontel Audain
Assistant Head for years 5 and 6
