

# Topic Homework

CLASS ICS and IPH

DATE SET: 07.09.18

DATE DUE: 15.10.18

Please find your Maths Rocket card attached to this letter. The children start at step 1a and, if they successfully get 10/10, they move onto the next step the following week. Please practice the step that your child is on each week to give them every opportunity to pass. After each stage the children will receive a Rocket certificate and a prize.

The first area of maths that we will be focusing on is place value. The children will be recognising numbers and using different apparatus to solve problems.

Dear Children and adults,

Our topic this half term is based on the book 'Traction Man'. We will be focusing on the children's writing with both a grammar and phonics focus.

## READING

Remember to read each day and get an adult to sign your reading book.

## SPELLING

Your spellings will be based on a phonics sound that we have been learning that week. These will go home on Fridays. Please practice with your child for the spelling quiz the following Friday.

## WRITING AND TOPIC

You have a scrap book to use to complete your homework project. Over the next seven weeks complete some of these activities.

### COMPLETE AT LEAST ONE OF THE WRITING TASKS:

1. Write a list of 10 super powers your superhero has!
2. Label a picture of a superhero. Can you name 10 parts of their body/outfit and add adjectives to describe them? E.g. strong muscles, colourful cape, mysterious mask.
3. Write a letter to a superhero asking him/her to come and rescue your town from danger!

### NOW CHOOSE SOME OR ALL OF THESE:

1. Design and create your own superhero mask.
2. Create a shoebox home for Traction Man to live in.
3. Make a set of 10 'Top Trumps' cards for superheroes.

## Topic Words

Do you know what these words mean and how to spell them?

smell

taste

touch

hear

see

power

strong

brave

adjective

noun

verb

## CHALLENGE:

A super hero story!

This could be a video, typed or hand drawn and written!

You could even make a comic book if you are feeling creative!

## Places you could visit

- V&A Museum of Childhood.
- Science Museum
- KidZania
