

# About Boys Course

Jaime Long

## Session 2.

To maintain discipline and boundaries

# Outcomes

- A understanding of why boys and girls often react to discipline differently
- An understanding of what methods might work with boys and why

## Session 2.

### Feedback:

- Did you use the strategies?
- What happened?
- What did you notice?
- Give me an example of when it worked

# Boundaries and Discipline

## Six main points

- We treat boys and girls differently
- We often discipline girls as part of communication and boys as something separate
- Girls more able to take being disciplined, whilst boys often resist
- Boys need containing often fighting boundaries
- There are easy techniques to help contain boys
- If rehearsed and used consistently boys will accept discipline and boundaries

What you give determines what  
you get back.
