

About Boys Course

Jaime Long

Session 4.

Preparing your son for school/
communication and emotions

Aims

To reflect on what skills and abilities boys will need as they make the transition into school.

Outcomes

- Mums to understand the skills their sons need
- Strategies and ideas they can try to develop these skills

Session 3.

Feedback:

- How did you do with your homework?
- How did the techniques go?
- What did you notice?
- Give me an example of when it worked

Difficulties

1. **Communication** (especially speech)
2. **Taking Instructions**, understanding and accepting the rules and the teachers authority
3. **Understanding how a class works** (in terms of class areas e.g. carpet, table, playground, reading area.)
4. **Concentration Level** (initially in terms of play, but developing into more formal class work).
5. **Aggressive, Loud, over boisterous**
6. **Able to react positively to teacher and other children.**

Communication Skills
