

Autumn 2

Reception Newsletter

Welcome back to Autumn Term 2. We hope you had a fantastic break.

Topic

This term our topic will be 'the Sea.' We will be looking at different aspects of the ocean including sea life- their features, what they eat, their habitats and how they protect themselves. We will also be looking at healthy and unhealthy environments and how we can better look after these.

This term we will be going to the Aquarium. More information will follow in another later, please make sure you keep an eye out and return the slips as soon as possible.

Tricky words

We test your child's knowledge of their tricky words regularly, so keep practising! The next set are the 'Pink Tricky Word Flowers,' these will be sent home this week. We are very proud of the children's progress since they have started Reception!

Writing at Home

We have noticed that a lot of children have been practising their letter formation and name writing at home. This can be seen in their everyday writing. Keep it up!

Reading

Well done to everyone who is reading with their child every night. Please make sure that you sign and try to write a comment each time you read with your child. This helps us know what reading skills and strategies they are using at home. If you would like more information about how you can help your child with their reading at home or how we teach reading in school we will be holding an Early Years Reading workshop in school. The date will be confirmed in the next week or so keep an eye out for the letter.

Maths

Keep practising your counting and numerals at home to 20. We have been very impressed with the children progress so far so please do keep it up.

Thank you for your continued support.

Reception Team! ☺
