Thursday 28th February 2019 – 3TA Class Assembly

Friday 1st March 2019 – Tutorial Day – School Closed except for parent meetings

7th March 2019 – World Book Day

Monday 8th April – Monday 22nd April 2019 – EASTER HOLIDAY

Dear Parents and Carers,

I hope you have all had the opportunity to read the Federation consultation document and that you found the summary letter useful.

This week Jason, our Science Leader and the senior leadership team have been looking at Science teaching and learning. We have seen that children are taking part in Science regularly, the lessons observed were interesting and the children were engaged. Science is all around us and it is never too soon to start thinking like scientists and learn about ourselves and the world around us!

“Nothing in life is to be feared, it is only to be understood. Now is the time to understand more, so that we may fear less.” — **Marie Curie** was scientist who conducted pioneering research into radioactivity. She was the first woman to win a Noble Prize and the only woman to win twice!

The workshop for parents on Internet Safety was very well received. We will run another one next term, so look out for the date.

We got very positive feedback on our workshop on gang culture. We will look for further opportunities to organise informative sessions.

Have a safe and happy weekend from Sarah, Elizabeth, Ray and all at Keyworth!

Week Commencing 13th February 2019 Lunch Menu

Monday	Tuesday	Wednesday	Thursday	Friday
Week 3: 12th Nov/ 3rd Dec/ 21st Jan/ 11th Feb/ 4th Mar/ 25th Mar

Dear Parent / Carer,

As the School based Education Welfare Officer for Keyworth Primary School, I regularly review children's school attendance and punctuality. It is clear that over the last few weeks punctuality has fallen slightly, with a large number of children arriving to school late.

I appreciate that the poor weather conditions can make one feel like not leaving a nice warm house, but it is crucial that children are at school in time for registration and to start the day in line with their peers.

Also I am aware that there has been a lot of absence from school due to illness recently. I know that this is the season for coughs and colds and sore throats but where possible apply your home remedies and get the children into school. If your child is too ill to attend school then get them to the GP (when you can get a doctor's appointment) and please provide the school office with the medical evidence. This would be a copy of the prescription or the prescribed medication. Where the medication is prescribed, the school office, with parental consent, will help administer medication to your child, to help support your children access school.

*Parent/Carer's also remember to access you're Pharmacists when you are having difficulty getting a doctor's appointment. They have cubicles where you can speak with them privately and provide medical advice and assistance.

Finally, term time absence requests. Can I remind parents that where at all possible please keep all trips and excursions within the school holidays? Application for leave during term time should be for exceptional circumstances only. Where parents have taken their children out of school during the school term and the absence has not been authorised, referral to Southwark's Fixed Penalty Notice Panel is taking place.

As Parents/Carers with children at Keyworth Primary School, your support is needed in keeping up the good school attendance and punctuality of your children, in order for them to have the opportunity to achieve the best outcomes for themselves.

Thank you in advance for your support!!

Kind regards

Olive Irechukwu -
School based Education Welfare Officer.

Would you like to understand more about what your children do online and how to keep them safe?

Come along to our [FREE session for Southwark parents and carers](#) to find out about how you can help your child manage some of the risks and feel more confident about your online parenting.

The session will be run by **Parent Zone**, the leading experts in providing information to parents on the digital world.

The session will be held at:

Townsend Primary School
Wednesday 13th February 2019
6.00pm-7.00pm

Refreshments will be provided.
We look forward to seeing you at the event!

FEBRUARY HALF TERM CYCLING COURSES

“ Very well organised and coordinated class. The cycle instructors were extremely patient and so supportive that my six year old daughter with no previous cycling experience rapidly progressed to confidently handling a bike. ”

Southwark parent

Southwark Council with Cycle Confident are providing FREE cycle skills courses for children over February half term.

Complete beginner courses, intermediate off-road courses and on-road courses are all running from Dulwich Park and Burgess Park.

Training is in small groups with 2 fully qualified instructors.
