Dear Parents and Carers,

Important Information for Parents

London Trading Standards have advised us of the following:-

Fake snack bar called 'Astrosnacks' – are being sold to children.

They cause people to be violently sick and have severe hallucinations. The Met Police has been warning schools and parents to be alert. They are being sold around Islington, Highgate and Archway but may move into other parts of London.

Have a safe and happy weekend from Sarah, Elizabeth, Ray and all at Keyworth!

Healthy Eating Coffee morning

Our school has been working in partnership with the PE and School Sports Network to deliver health and wellbeing programmes across the school. The children have been learning about achieving a balanced diet, food labels, the effects of a high fat, sugar and salt diet and portion size.

As part of this programme, we invite parents to attend a healthy living coffee morning session on **Wednesday 3rd April at 9:10am**. This is an opportunity for parents to find out about leading a healthy lifestyle and continuing what the children have learnt at home.

Topics to be covered include healthy behaviours i.e. increase fruit and vegetable consumption, sugar swaps, portion size, healthy snacking, physical activity, sleep and shopping and cooking on a budget. We feel this is an essential part of the programme, which will help the children to continue with their healthy eating and active lifestyles at home.
