Dear Parents and Carers,

A warm welcome to our Summer Term at Keyworth!

The school hosted its first official Governors meeting as the Bessemer and Keyworth Federation on Wednesday. It was good to start working together strategically to drive excellence and progress in both schools.

An important role on the governing body are parent governors, please put your name forward. It is your chance to take an active part in the strategic governance of the school.

KEYWORTH NEEDS YOU!

Nomination forms for parent governors went out on Tuesday. You still have plenty of time to apply. If you want to speak to some **real parent governors, Joy for Keyworth and Karen from Bessemer will be in school on Tuesday morning** and can talk to you about what it is really like, what to expect and answer any questions you may have. If you know someone who might be interested encourage them to come along too. We really need a Keyworth parent on the governing body.

Facts about being a Parent Governor: There is no requirement for you to have an understanding of the education system, just the necessary skills, character and time to contribute. There is plenty of training available to help you learn about education.

As a governor you will be able to: Use your own experience of education and life beyond school to inform conversations Develop and utilise your skills in a board-level environment Make a valuable contribution to education and your community Support and challenge the school so that it improves for pupils and staff Bring your unique experiences, perspectives and insights in to decision-making in the interests of the school community.

Have a safe and happy weekend from Sarah, Elizabeth, Ray and all at Keyworth
