This week's gem winners are....	Emeralds
This week's treasure chest winners were....	1PH and 6MC
The class with the best attendance this week was...	4JB

WEEKLY NEWS

K P S

Dear Parents/Carers,

A huge welcome back to all of the Keyworth families after the summer break. We have an exciting year of fun and learning planned here at Keyworth and hope that you are all fully rested.

Medicines

If your child has been prescribed with any form of medicine that you require them to use in school, you need to go to the school office to complete a *medication permissions form*. You must not give your child's medicine to any member of staff.

Workshops

We will be running a range of parent workshops this term to share with parents/carers information related to what we do in school and how they can help their child/children at home. Please see the "*important dates for the diary*" section for details of when these will take place. To attend any of the workshops, go directly to the school office on the day; workshops begin at 9:10am.

Parking and access to school

A reminder to all families that the Faunce Street gate is not to be used between 8:45-9:05 and 3:15-3:45 each day. Instead, you should enter and exit the school via Doddington Gate or Gaza Gate. This rule does not apply to families who live on Faunce Street. If you do use Faunce Street between the hours allowed, please consider how vehicles pollute our school. We recommend that you park your vehicle further away from school and then walk.

Into University

Into University are now using our facilities. Therefore, there is no longer access around the back of the school between Doddington Gate and Faunce Street Gate due to safeguarding reasons. If you would like to find out more about *Into University*, please visit their website: <https://intouniversity.org/>

Gender Equality

During one of our INSET Days last week, we took part in a workshop about gender equality and stereotyping of children in schools. This included whether our books, topics and environment promote positive male and female role models. This academic year, we will be reviewing our provision to ensure that we avoid such stereotypes. For further information, see the *attached guide for families*.

Policies

Every year, we make changes within school and then update our policies. You can find updated policies on our website.

Thank you

We would like to say a huge thank you to Ruth Cairns (parent of Agnes and Patrick) who organised for Hachette Books to donate books to our school.

Wishing you a lovely weekend!

Ray and Sarah
