

Primary School Sport Premium at Keyworth Primary School

At Keyworth Primary School we aim to establish a sporting culture that enables and encourages all children to play and enjoy sport. We have established a number of after-school clubs for our pupils offering a wide variety of sporting opportunities. We enter numerous school sport competitions to allow children to be competitive and are constantly developing our PE programme.

How will we be spending the Sports funding and who will benefit?

The Sports funding will be used to:

- Join the London and P.E. School Sport Network. This network provides teacher training opportunities including NQT training, as well as supplying P.E experts to work with teachers in delivering high quality P.E. lessons. The network also allows our school access to a full calendar of competitive and non- competitive (including gifted and talented and SEND) events for both KS1 and KS2.
- Increase the skill level of staff in the delivery of quality P.E. teaching.
- Buy exciting and stimulating resources to facilitate the teaching of PE.
- Develop a safe but active use of the playground at break times.
- Employing a sports coach to take children to competitive events and run lunchtime training. This will provide opportunities for children to compete and have the chance to represent the school in competitive sport against other schools.

Expenditure

Sports funding is allocated to schools by the government. It is for schools to decide how the Sports funding is spent.

2019/20

The government allocation for Sports funding is £19,244

Provider	Provision	Cost
London School Sports Network	INSET/training for KS1 and 5 teachers CPD team teaching for KS1 and 2 Organisation and entry into a range of sports competitions throughout the year Support assessment and planning	£6,643
Spots Coach	Accompany children to league matches and competitive events	£10,080

	Train and work with children throughout the year	
Resourcing PE equipment	Resourcing equipment for PE lessons Resourcing equipment for Lunchtime and playtimes	£2521
Total £19,244		

Impact

We will evaluate the impact of the Sports Premium funding as part of our normal self-evaluation and provision mapping arrangements. We will look at how well we use our Sport Premium to improve the quality and breadth of PE and sporting provision, including increasing participation in PE and sport so that all pupils develop healthy lifestyles and reach the performance levels they are capable of.

Measuring the impact of the activities provided with sports premium funding can be achieved in different ways. We will look at progress in PE as well as other areas of development such as self-esteem, confidence and the numbers of pupils involved in sporting activities in and out of school. We will also evaluate the impact of professional development opportunities in improving teaching and learning in PE.
