Flu Immunisation Catch Up Session

Wednesday 4th December 2019

Dear Parents/Carers,

As you are aware the school nurse visited yesterday to give the children who had obtained permission the flu immunisation.

She will return on the **4th December 2019** to catch up with any children that were absent or any children that have obtained permission since.

If you wish for your child to receive the immunisation but have not yet returned your permission form, please do so by Friday 29th November 2019. **We are unable to give your child the immunisation without written permission.**

The 4th December 2019 will be the final visit from the nurse this year and **if your child misses this date you will need to arrange with your GP if you still would like for your child to be immunised.**

Please note, if you have already returned your permission form you do not need to do so again, the permission you have given on this form will be respected at the next immunisation session.
