Dear Parents and Carers,

It was good to see so many of you attend our Parents Evenings. If you were unable to come, please speak to the class teacher about arranging a time to come in. We are happy to give our time as it is so important for you to hear about your child's learning.

There have been various events happening this week, so read on to learn more about Y4's trip to the Tower of London and the participation of some of our children in the Panathalon Challenge.

Thank you to those who have contributed a leaf to our Community Tree, watch this space next week for photos! From this week our Reward assembly will take place each Friday – reported in the Newsletter as usual.

Last but by no means least – check out our new and updated school website! Let us know what you think, we are aware there is still some tweaking to do over the next couple of days.

## **Parent Mail**

Wow! A big well done to you and to the office staff – we now have 70% of our families signed up. This is fantastic, but we need 100% on board. We will continue our campaign to sign up the last of you, so don't forget to ask the office to help. It doesn't take long and will be a real advantage to you.

We are now preparing to take payments on Parent Mail and hope to be up and running fully by the New Year! So, if you wish to pay online, it is important that you sign up to Parent Mail as soon as possible!

## **Y4 at the Tower of London!**

On Thursday 10<sup>th</sup> November, Year 4 visited the amazing Tower of London. During the first half term we researched The Tudors, with a particular focus on Henry VIII and his wives, so it was fantastic to further our knowledge and come face to face with some real life ancient artefacts.

We spent the full day exploring the Tower visiting sights such as; The Torture Tower, which highlighted all the gruesome and inhuman ways people were executed and tortured (a crowd favourite), the medieval palace where we got a first-hand account of the King and Queen's living quarters during Tudor time, and even the large vault that houses The Crown Jewels and many other bright and beautiful ornaments.

The highlight of the day was getting to speak to a 'Beefeater' who guards The Tower. Lucky students got to ask some brilliant questions, to which the Beefeater was more than happy to give fascinating responses, which had everyone hanging off each word with grins from ear to ear.

Thanks to Marcia, Jess, Moynul and Ruth for helping us on what was a fantastic day.

Cam and Catherine

## **Update your Child's Contact Information**

If you have recently changed address or contact number could you please inform the office so they can update your child's information.

## **Christmas Activities**

Please inform the office if you would not like your child/children to participate in any Christmas activities.

## Primary Panathlon Challenge

On Thursday 10<sup>th</sup> November, nine of our children represented Keyworth at the Panathlon Challenge. This was held at the Damilola Taylor Centre in Peckham and it's a wonderfully well organised sports festival.

The children took part in a variety of games, which are created so all children can access these games, whatever their ability. These included parachute games, trampolining, boccia, throwing games, new age curling, football, simple basketball games, jumping and relay races.

Our school came 6<sup>th</sup> out of the 10 schools and every child at the sports challenge had a truly wonderful time. Every child that attended was presented with their own medal; they came back to school with huge beaming smiles, full of pride!!!
