Dear Parents and Carers,

There has been a lot happening this week. Year 5 went on a trip to the London Museum (well worth a family visit and its free) and Year 2TP treated us all to a splendid assembly all about Pirates OooA'aarrrr'!

Jess is now our PE leader and has implemented a training programme for staff and is designing a programme of clubs offering an even wider choice of sports for pupils – so watch this space. The school and our Chair of Governors had a meeting with the local authority this week to look at standards across the school. It was a very productive and positive meeting and the children are making good progress.

I sent out details of the responses to our parent survey at the end of last term. We are already responding to your comments on parent workshops and homework. We will be running workshops on Rocket maths and Home Reading and will offer sessions at 9.00 a.m. and 5.00 p.m. The dates will come your way soon. Don't forget if you have any suggestions that might make the school even better, please let us know, it really makes a difference.

We are sad to see Kelsey from the office leave today but wish her well in her new job nearer home.

## Year 5 Trip

This term Year 5 have been learning about London. As part of their topic, both classes took a trip to the River Thames before visiting the very informative Museum of London. Year 5 were able to demonstrate their fantastic art skills by drawing the London skyline from the Southbank of the river. The children had a fantastic opportunity to explore the museum. They were able to link their previous topic of the Romans to see the influence they had on London throughout history.

## Extra-Curricular Clubs

We still have **one** place for football and **five** for dance/drama, the deadline for securing a place for your child is Monday 16<sup>th</sup> January 2017 at 9.00am.
