Dear Parents and Carers,

This week the leadership team have been looking at maths books. Your children are working hard and learning – we can see that because of the amount of work they are doing. We can also see that when their teachers mark their work your children have time to correct mistakes or try something in a different way. The teachers mark in green and the children respond in red.

Lots and lots of you are now signed up to Parent Mail. All of you will have been sent messages. If you are not getting any, please come to the office and they will sort it out for you. It won't take long. For those of you not signed up, it's not too late, but in the meantime there will be things that you won't be getting. Don't let yourself be left out! The office will always be pleased to help you.

## *free* Family Workshops
