Dear Parents and Carers,

I know that you will have shared the sadness that Keyworth has felt over the terrible events in Manchester this week. The children spent an age appropriate amount of time at 11.00 on Thursday thinking about the sadness for the families. Here is an excerpt from the poem that Tony Walsh, a poet from Manchester read at the vigil on Tuesday night. Although it is about Manchester it's words have a powerful message about the joy of diversity, the power of the human spirit, the importance of unity and the strength of love over anger which speaks to us all.

This Is The Place

...That Mancunian Way to survive and to thrive
And to work and to build, to connect and create and
Greater Manchester's greatness is keeping it great
And so this is the place now we've kids of our own
Some are born here, some drawn here, but we all call it home
And they've covered the cobbles, but they'll never defeat
All the dreamers and schemers who still teem through these streets
Because this is a place that has been through some hard times
Oppressions, recessions, depressions and dark times
But we keep fighting back with Greater Manchester spirit
Northern grit, northern wit in Greater Manchester's lyrics
And there's hard times again in these streets of our city
But we won't take defeat and we don't want your pity
Because this a place where we stand strong together
With a smile on our face, Mancunians Forever
Because this is the place in our hearts, in our homes
Because this is the place that's a part of our bones
Because Manchester gives us such strength from the fact
That this is the place. We should give something back.
Always remember. Never forget. Forever Manchester.
Choose Love.

Have a safe and happy weekend!

Elizabeth and all at Keyworth

It's that time of year when we say good bye to some of our support staff who are off to pastures new. We say a fond farewell to Liz, Camilla, Ruth and Shalonie. I'm sure you would like to join us in thanking them for all they have brought to Keyworth and to wish them every future happiness and success. The children were also able to say a fond farewell to at a special assembly today, where cards, flowers and tokens of thanks were shared. It was a lovely send-off!

Parent Governor Vacancy

You should have received a letter this week inviting you to put your name forward as a school governor. If you are interested in making a contribution to the vision of the school and to strategic decision making, then put your name forward. It is a responsibility being a governor, but the meetings are interesting and give a unique perspective on how a school plans for improvement. A parent perspective is highly valued. The closing date is Monday 5th June – so have a think over half term. Visit www.nga.org.uk or www.gov.uk to find out more about the role and responsibilities of a school governor.

FIDGET SPINNERS

Fidget Spinners are banned from school. They have been causing distractions and accidents, so please ensure that your child does not bring one into school.

Thank you for your understanding and co-operation in this.

Sports Dates:

EYFS 4th July

KS1 5th July

KS2 6th July

All children should wear their house colour t-shirt on the day, appropriate PE kit and trainers, have had applied sun cream before school, can bring a water bottle (which they are responsible for carrying - there also will be water stations at the event). Children will go back to school with staff.

Coming soon, next half term, Keyworth Primary School will be excited to launch our first whole school topic, ***Let's Celebrate***. Starting this year, the whole school will work together on this joint project centred on ***Carnival – a time to celebrate, be creative and have fun while we learn!***

Each year, our carnival topic will have a different theme and to kick us off in our first year, we will be focusing on carnivals ***Around the World***.

Each year group will investigate one particular country's carnival, such as Brazil, China or Trinidad and Tobago. They will incorporate all subjects in their learning, from history to art, geography and English, creating both informative and beautiful pieces of work around this wonderful celebration. At the end of the term, we will come together, to showcase what we have learned and made, in our own, whole school, carnival parade.

We look forward to seeing you there!
