Dear Parents and Carers,

Here is the last Newsletter of this academic year. There have been 38 weeks of school life shared in Newsletters this year. What a lot the children have managed to achieve and experience.

We ended our week with a fantastic Year 6 production of Hairspray. The children sang, danced and acted their hearts out and produced a stunning performance full of laughs, messages and outstanding teamwork. Thank you to all of them and to all of the staff who made it possible. It was wonderful to see so many family members there and with special thanks to parents Mary Wallace, Sharese and Azariah the artwork and design, the Keyworth year 6 staff who worked so hard to produce the show and the very talented year 6 children.

**Have a safe and happy Summer break!**

The Newcomen Collett Foundation is offering support to families who may have difficulties purchasing new school uniforms. Southwark schools are eligible to apply for individual grants for families who would benefit from a free school uniform. If you would like the school to make an application for a free school uniform for your family please contact **Kristin Hoogland – Assistant Head for Inclusion** by phoning the school.
