Dear Parents and Carers,

On Thursday morning I watched 2LB's assembly. It's theme was AMBITION. It set me thinking about how ambition is threaded through all we do at Keyworth in partnership with you. It is reflected in our high expectations and standards and in our inclusive school ethos. This in turn is reflected in reality - our ambitions - shared with you - for the success and happiness of the children at Keyworth. The improvements to punctuality, attendance and progress are a testament to this. I felt proud today, as I often do, as I watched a hall full of children aged from 5 to 11, from a wide variety of ethnic and religious groups sitting together in friendship and cooperation, enjoying an assembly being performed by their young peers. I saw the adult audience, equally diverse, being just as engaged. The message of the assembly was clearly understood by all - if you work hard and don't give up anything is possible - and don't let other peoples prejudices or notions get in your way.

Enjoy the longer, brighter days, and have happy and safe weekends.

from Elizabeth and all at Keyworth.
