Newsletter 08/06/18 Issue 31

Welcome to the second half of the Summer Term! On Monday our Ofsted report was published and we were very pleased to be able to share it with you. In this week's newsletter we have a letter from our Chair of Governors, Jonathan Keil.

Dear Parents and Carers,

## **Ofsted inspection – 9-10 May 2018**

As Chair of Governors, I have great pleasure in writing to you regarding the Ofsted report that has been published on the school's website and is also available to read in the school office or on the Ofsted website at <http://reports.ofsted.gov.uk>.

We received a 'Good' judgement for overall effectiveness, as well as in each of the areas which were inspected. All of this is richly deserved by Sarah, Elizabeth and their excellent team and I am sure you will join me in congratulating all involved.

Under Sarah's leadership, Keyworth is determined to provide the very best possible teaching and learning opportunities for all the pupils, without ever losing sight of the caring and supportive ethos that makes our school's learning environment so rich. I am thrilled that the inspector obviously recognised the tireless hard work, commitment, dedication and professionalism that occur every day across our school.

The inspectors' comments about pupils' behaviour were especially pleasing and I would like to thank you all for supporting the school with this – it really is so important and helps to drive progress and achievement. One of our action points for improvement is to *"Work closely with families to improve attendance and reduce levels of persistent absence"* and we look forward to your further support to improve our results here.

School leaders and governors accept Ofsted's findings and would like to take this opportunity to thank all parents and carers who completed the Ofsted parental survey and spoke to inspectors when they were in school. Keyworth aims to be friendly, open and responsive in all matters and is also eager to receive your comments, concerns and feedback throughout the year.

Our 'Good' judgement will not bring any complacency and we continue to share a constant desire for development. The report identifies that *"Leaders, including governors, have a realistic picture of the school's strengths, and have accurately identified what the school needs to do to improve further"*.

Please feel free to contact Sarah, Elizabeth or me via the school if you wish to discuss any aspect of the report further.

Yours sincerely

Jonathan

### Girl's Cricket

Our year 5 girl's cricket team had a fantastic time watching a game at the Oval Cricket Ground this week! They watched Surrey v Glamorgan and found the atmosphere extremely inspiring!

Our girls' team train every Monday at the cricket ground and are progressing fantastically. This is a great skill to take with them to secondary school and we are urging more girls to join!

If you are interested in joining the team from years 4, 5 or 6 please let me know!
