

Year Six Newsletter

Autumn 1

Friday 11th September 2020

Welcome everybody, from 6JA!

Hello and welcome to the 2020-21 school year. After what have been a rather unusual year, all of us here in the year six team are really excited to work with our new crop of year six children, all parent's and carers and of course, each other, to make this the best year ever!

Learning Content

Our topic this half term is the Ancient Greeks - an extremely interesting theme to begin the year with, giving us so many opportunities for learning in all areas.

English

Non-fiction: Non-chronological reports

Fiction: Greek Mythology

Maths

Number, place value, partitioning, rounding, written methods for the four operations and applying their learning through various mixed operation problems.

Science

Light

RE

Holy Books

PSHE

Living in the Wider World and Equality

Computing

E-Safety

Languages

French

Upcoming Trips

TBC

PE

PE will take place on Mondays and Fridays afternoon in 6JA

.Children should wear PE kits to school on days where they have PE. On all other days, they should wear school uniform. This is to limit the number of items being brought into school.

Homework

The children will be given both Maths and English homework every Friday, to bring back on Monday, without fail.

Topic Homework - The children have a selection of activities to complete over the course of the half term, ending in an exhibition of their work.

Daily Homework - Each day the children are expected to read from their chapter books and complete a task in their homework books.

The children will also begin to receive short maths activities and challenges.
